The Cheza Collection

WHY NOT?

Naturally Playful Clothing from
The Social House

The story of exclaim began at The Social House which, since 2020, has become a magnet for a convivial and intrepid band of locals and travellers we affectionately call 'The Lesser-spotted Adventurers'. This spirit needed to wander, so we distilled it into a wearable form and exclaim was born.
Kenyan conceived, designed and produced.

The Cheza Collection

Our debut 'Cheza' collection is named
